Colored Man Has Thrilling
Experience

And Finally Arrested For
Train Jumping

Items Of Interest From
The Court House

Elmer Marshall and Geo. Sweeney, two colored men, claiming their home to be in Cleveland, had a most exciting experience while trying to steal a ride on C. A. & C. passenger train No. 508, due in this city at 5:15 p. m. The episode occurred east of Danville late Tuesday afternoon.

The men were discovered on the front end of the baggage and express car and while the train was traveling at a high rate of speed one of the trainmen grabbed Marshall and pulled him into the baggage car. When Sweeney saw that his companion had been captured and fearing a similar fate he jumped from the fast moving train and was hurled many feet through the air. He had a miraculous escape from death. Marshall was brought to Mt. Vernon on the passenger train and locked up in the Knox county jail on a charge of train jumping.

Later a freight crew found Sweeney lying beside the railroad track and picked him up and brought him to this city. He was conveyed to jail in the patrol wagon and the jail physician called to dress his injuries. It was found that no bones were broken, although the man was badly bruised and cut. On Wednesday morning both men were arraigned before Squire George S. Harter where they entered a plea of guilty to train jumping and were each fined \$5 and costs. Being unable to pay they were sent back to the county jail.

FRESH AIR

Camp Soon To Be Opened
At Martinsburg

(Columbus Journal)

The Ruth Dodd Fresh Air Camp, maintained by the City Epworth League Union of Columbus, will open Monday, when 14 or 15 youngsters ranging in age from 6 to 12 years and selected from among the unfortunate of the city, will go for a week in the country. The camp is located near Martinsburg, about 50 miles northeast of Columbus, near the C. A. & C. railroad.

The camp itself is owned and operated by J. S. Dodd, who contributes practically everything except the children and the care and cost of their transportation to and from his place. This cost, the selection of the children and the responsibility for their return is assumed by the Epworth Leagues. Each week the party of youngsters changes. In all 75 or 80 are cared for each season. The work has now been carried forward for four years. The children are cared for both physically and spiritually. Their time is occupied in wholesome activity, amid wholesome surroundings, their bodies are fed and an effort is made to feed their minds as well. Children who have been there one year are always anxious to be returned a second summer. These campaigns are of value in enabling the leagues to get hold of the children among whom they desire to work.

FINED

And Sent Back To Jail Were
Train Jumpers

On Wednesday morning, the five young men, who were arrested at the C. A. & C. depot by Deputy Sheriff Woolson and Officers Hough and Aisdorf on a charge of train jumping, were taken before Squire Harter at nine o'clock, after spending Tuesday and Tuesday night in the county jail. When the charge was read by the 'squire, each one entered a plea of guilty and each was fined \$5.00 and costs and were committed to jail until the fines were paid. The train jumpers all gave their homes as being Columbus, Ohio, and they stated that they were going to Akron to secure employment. Their names were as follows: William Jones, James Hagens, Frank Tuthero, Pearl Walters and Charles Abbott. William Jones is an expert automobile tire maker and undoubtedly chose to ride on the freight train instead of a passenger just for the novelty and excitement of the experience. He had secured a position with the Diamond Rubber Co. at Akron and was on his way to accept the position when he was arrested.

OUTLINE

Program For County Picnic
Is Agreed Upon

Something Will Be Doing
From 9 A. M. To 9 P. M.

Band Concerts, Horse Races
And Baseball

With Address By A Well
Known Statesman

The committee of the Citizens' Association met Tuesday night and adopted an outline program for the county picnic to be held on August 10, at Lake Hiawatha park.

The committee plan to begin the day with a band concert on the public square at 9 a. m. and to finish with a display of fireworks at the park at 9 p. m. Between these hours, with a short intermission for dinner and supper, something will be doing all the time.

Although some of the sub-committees are not able to report definitely, it may be stated that the program includes band concerts morning, afternoon and evening; racing morning and afternoon, baseball morning and afternoon, exhibitions in the auditorium afternoon and evening and possibly an address by some distinguished statesman.

Everything with the exception of one or two park concessions that the committee is unable to control will be free. The effort will be to provide just as big a series of entertainments as possible and at the same time not waste a single dollar of the sum that is being so generously subscribed by Mt. Vernon business men.

Last year, it has been roughly estimated, that there were about 10,000 people at the park. This year if the weather is fine, competent judges predict that provision must be made for 15,000. The same arrangements that met with such hearty approval a year ago, in regard to checking baskets, will be in vogue and additional facilities for drinking water will be provided.

At the meeting Tuesday evening the committee decided to cut down their appropriation for advertising to the lowest possible figure. But no one must infer from this that the invitation is not just as cordial and inclusive.

Every person who lives in Knox or any of the adjoining counties is asked to come and make the day a grand success. It is the one occasion of the whole year when all persons from every section should make it a point to drop work and renew old ties and make new ones.

INJURED

By Falling From Load Of Hay
On A Fence

Mr. Henry Rice, residing in Bladensburg, was the victim of a very unfortunate and painful accident while at work on his farm, just south of Bladensburg, on Tuesday evening at about five o'clock. He was riding on a large load of hay when one of the wagon wheels ran into a ditch at the side of the road, and the hay was allowed to slip from the rigging. Mr. Rice, in an effort to keep the hay from falling off, fell himself, striking his chest on the top of a rail fence with a great deal of force. He was taken to his home where surgical attention was rendered. The injury, although very painful, is not considered serious.

Miss Edith Workman and Miss Ruth Moore of Columbus are spending several days in Millwood, the guests of Mrs. B. F. Hammond.

Mrs. Irvin Young and children of Mt. Vernon spent Wednesday with relatives in Gambier.
